Editor's Note

Well, This Is It! The 1987 Maple Trail is the third and final publication I will have the privilege to create. Some say the third time is CHARM! I'm not quite sure. Each book reflects a different time at Campbellsville College. These books show how the college changed and the personalities grew with these changes.

I'm not sure if this book is better than 85 or 86 but as much, if not more hard work went into creating the 87 Maple Trail. I chose the theme — THIS IS IT! because I feel that it sums up the great college experience for the student body. This book will allow you to remember the year at Campbellsville in 1987, as a freshman or senior. Keep in mind — this is it — so have fun!

GREAT THANKS TO PUBLIC RELATIONS OFFICE — Especially

GREAT THANKS TO MY ADVISOR — Karen Lynema

To my friends, it's been real!

Enjoy!

Student Life

“European Vacation”

On June 24, 1986, Mr. Bobby Himes took a group of four Campbellsville College students on a 31 day tour of 11 countries in Europe. The students earned 3 hrs. college credit for European Studies Class.

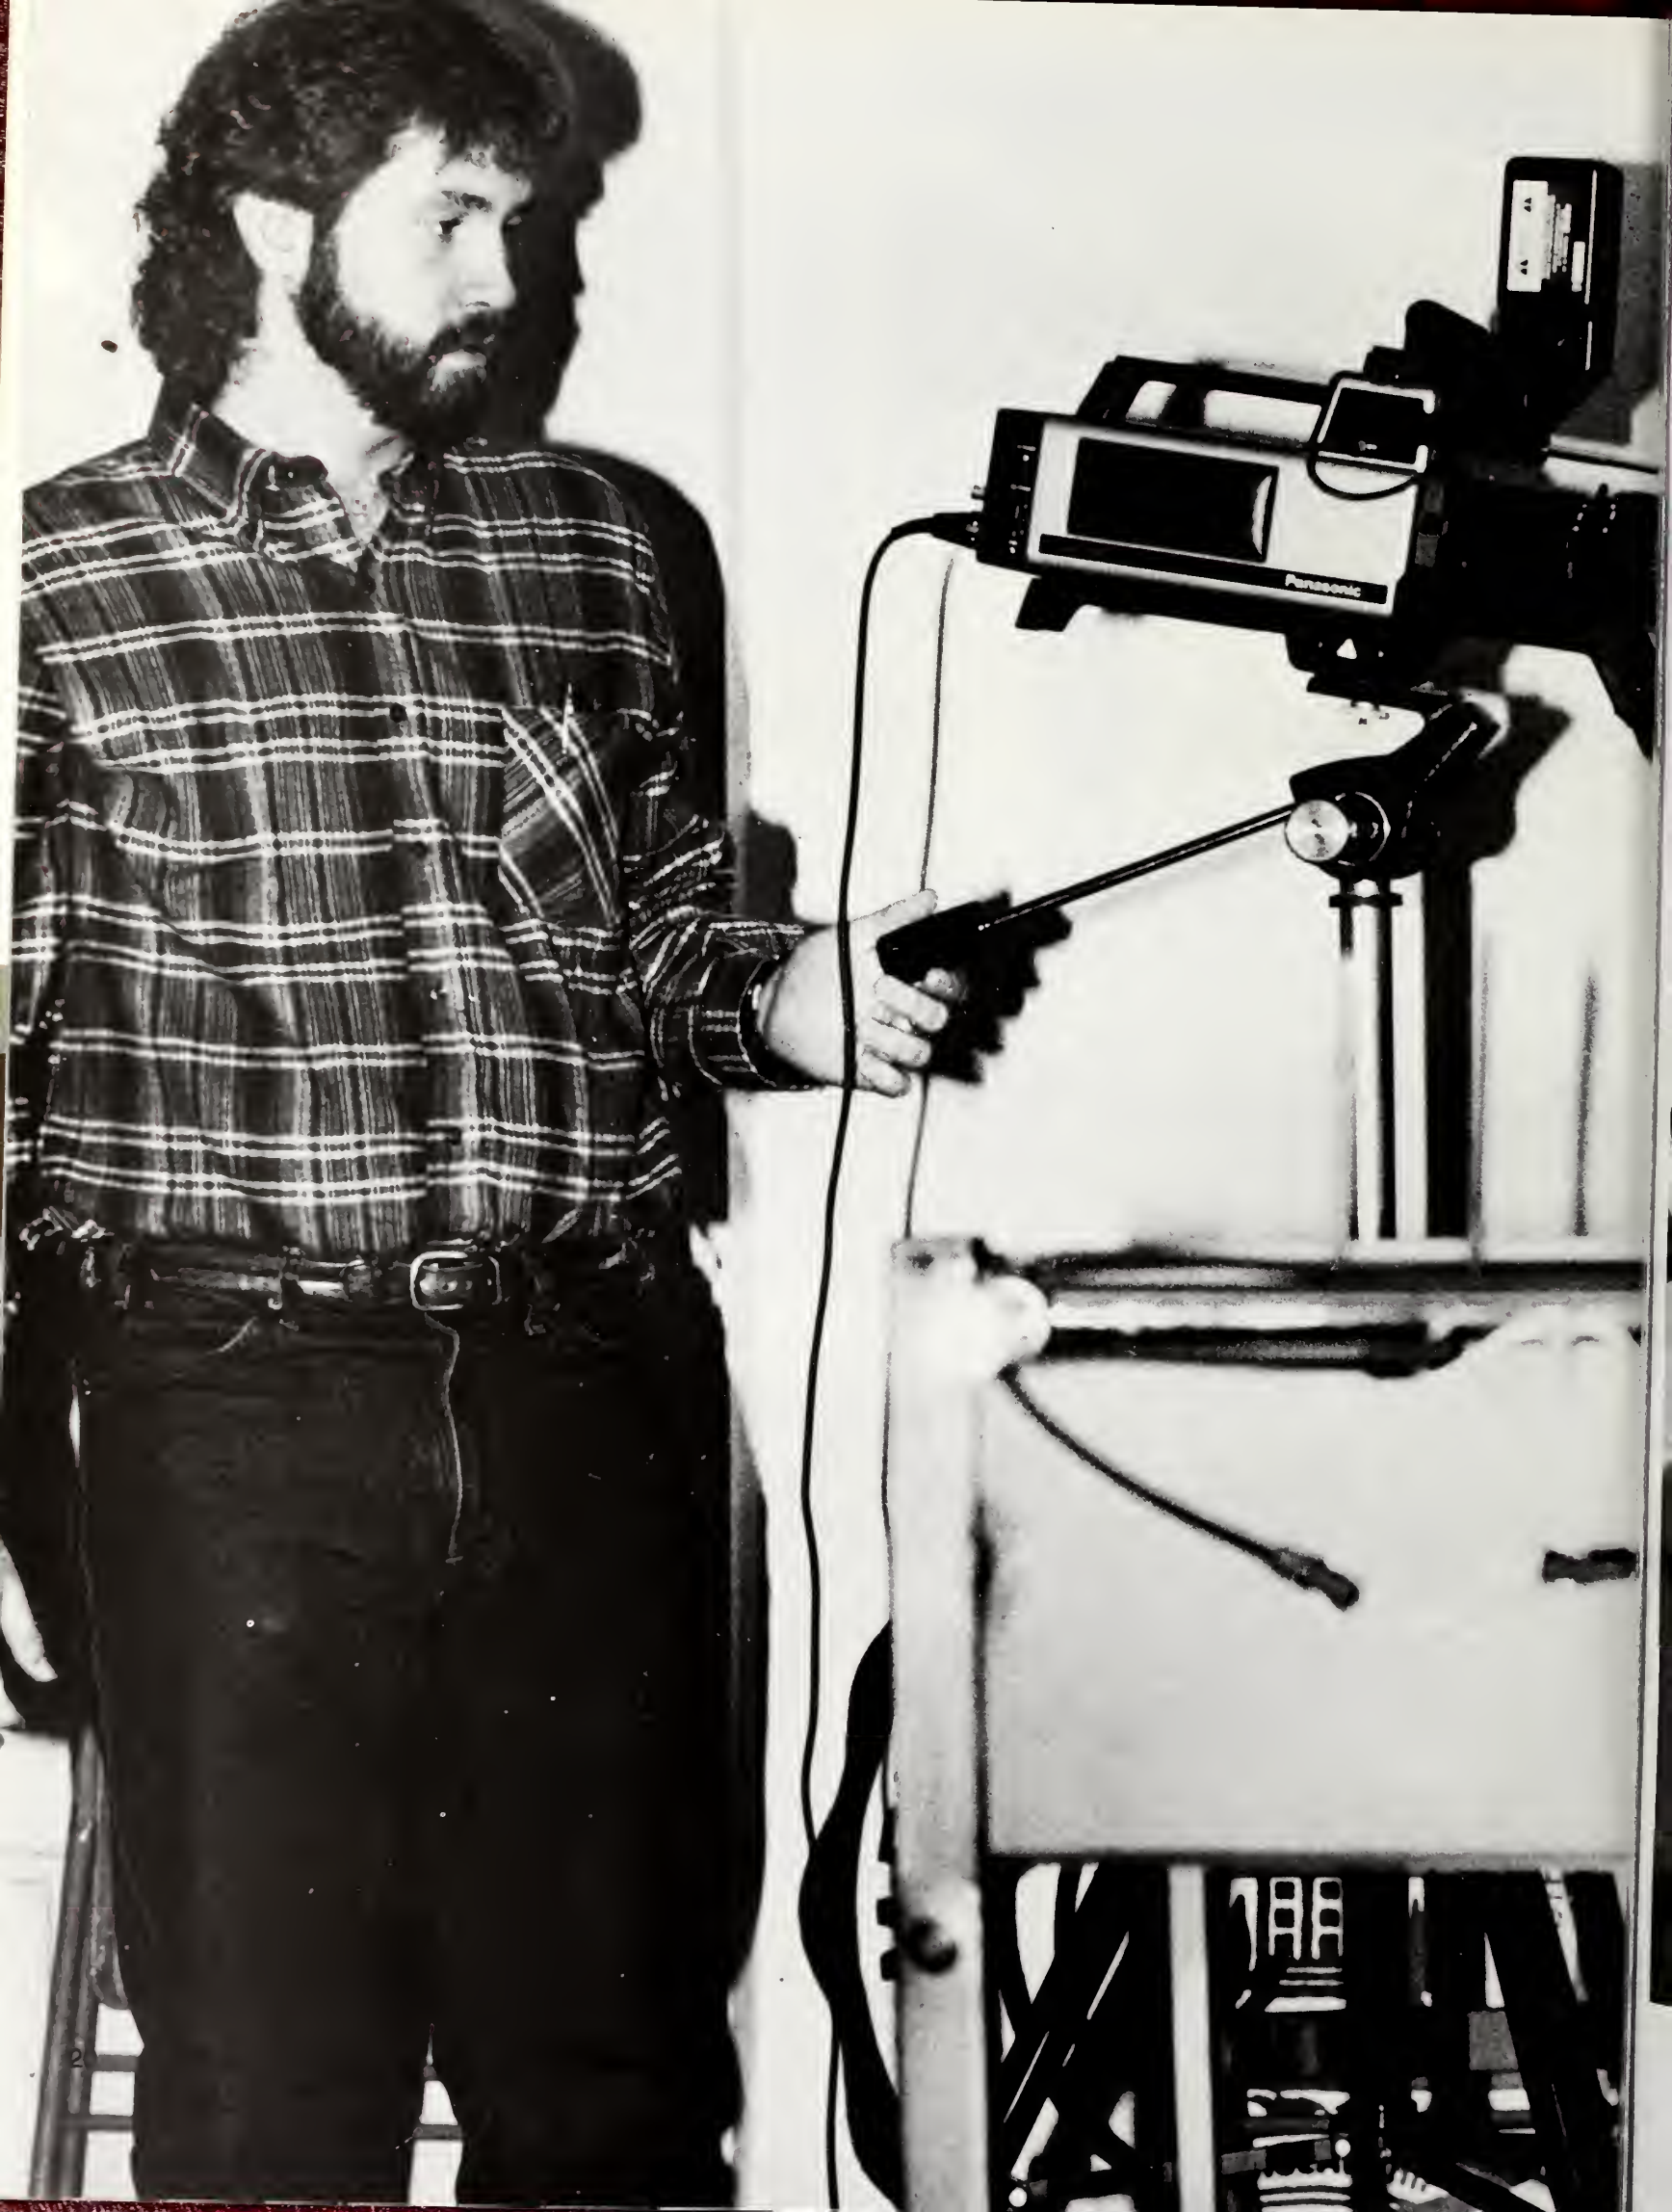

Cynthia Williams, Annette Clark, Rhonda Allen and Monica Vaught met Mr. Himes in Louisville early that morning to leave for London, England. Some of the larger countries visited were: Holland, Germany, Austria, Switzerland, Italy, France, and Spain. The highlights of the trip included sites such as the Black Forest of Germany, the Coliseum in Rome, along with the Vatican City, the French Riviera, a visit to Monte Carlo, the beautiful city of Madrid and the Eiffel Tower in Paris. The trip was an exciting learning experience for all. This is an example of learning by doing, and these four college students, led by Mr. Himes walked through the ages of history in 31 days. A class to remember!

On the Air

We're on the air! Campbellsville College is now broadcasting three and one-half hours Monday-Friday on Campbellsville Cable Channel 21. The telecommunications Center is operating four television cameras and is going on location to film for the Campbellsville and Taylor County High Schools. Along with shows such as "Moving with the '60's," "What's Cookin,'" and "living today." The Campbellsville College Telecommunications Center has a philosophy of broadcasting for educational and entertainment needs of both the College and the community.

Dorm Personalization

by Sarah Stafford

During the 1986-87 school year, many dorm students improved their residence halls by participating in dorm personalization. "Our goals were basically to get students on the floors to work together on a dorm project and to beautify the dorms by making them more bright and cheerful," commented Miss Sylvia Morris, Student Development Vice-President. "I don't know when I've been more proud of our students. This was really beyond our expectations," she added.

Winners in Stapp Hall were Two North and Three South, receiving first place and a pizza party at Mr. Gatti's. Second place went to One South; they were awarded with a free cheeseburger, fries, and drink from the college snack bar. Third place winners in the dorms were treated to cheeseburgers and drinks. All other participants received a free drink from the snack bar.

Stapp Hall's Spirit Award went to Three North and Center. Two South was most creative, and Most Original was Two Center.

South Hall's first prize went to One North. Three North was awarded second place, and three South received third place.

Miss Morris hopes students have received "a sense of accomplishment, of doing a good job on something for themselves by making their living quarters more attractive."

ON THE MOVE

Fryrear and Finley to coach football

By PAM HARDY-
DURHAM
Staff Writer

College President Dr. W.R. Davenport announced the new football coaching leadership April 24 in a press conference at the Montgomery Library. Head coach beginning in the 1988 season will be David Fryrear, presently Superintendent of the Campbellsville Independent School System. He will assume his position upon his retirement from the system in 1988.

Hired as acting head coach is Ron Finley, presently head football coach at Russell County High School in Russell Springs. Finley will also serve as head coach and athletic director. The College will continue in the football program as assistant coach during the 1987-88 season. Those schools they will play are: Georgetown College, Cumberland College, Ken- tucky Wesleyan College, Tennessee Wesleyan College. These games will be on days during the fall season, 1:30 p.m. at either Campbellsville or Taylor Coun- School field.

David Payne, a teacher at CHS, Mike Thomas, a student at TCHS and Haywood, a student at TCHS, will also develop the student socia- sistant coaches in tional role.

The Campbellsvillian

Campbellsville College To Reinstate Football

The Campbellsville College Board of Trustees has approved a non-scholarship football program, according to Dr. W.R. Davenport, president of the College.

Plans for the football program include fielding a team and playing a limited schedule in 1987. Campbellsville College will become a part of a newly proposed conference composed of schools throughout Kentucky, eastern Indiana and northern Tennessee.

The presidents of all interested schools met March 28 to determine criteria of the conference and those schools participating in it.

"I'm thrilled," said Don Bishop, assistant professor of physical education and athletics and athletic director. "This has caused adrenaline to flow and added new excitement at Campbellsville College."

The new football team is the first one to play at the College since 1930 when football was discontinued because of the Great Depression, said Dr. Richard Sanders, a 1930 graduate from Campbellsville. He played guard and end on the teams in the late '20s.

Sanders said the game then was "maybe rougher" than football today. He said the team members used a technique called a "flying tackle," in which the players dove through the air to tackle a player.

He said they didn't wear any shoulder pads and had helmets but didn't always wear them.

The games were played on a field behind the old gym and spectators stood to watch. Some of the opponents were Lebanon Junction, Sue Bennett College, St. Joseph Academy at Bardstown, the Kentucky School for the Deaf in Danville and Lindsey Wilson.

The team didn't have enough to divide up in scrimmage, so the College's President Warren Jones got on the field with them. "He could really hit hard," Sanders said.

Dr. Burr Atkinson was one of the early coaches. He organized and promoted the teams in the early 1920s.

Olivia Durham Tones ('26) said her brother, William Walker "Wickie" Durham, played with the early teams and was also one of the first coaches. "He was a great football player and had lots of scholarship offers from different colleges," she said.

Gatton Kirtley ('31) was quarterback and captain of some of the early teams. He said they played "a very rugged game, with very little equipment."

Football was discontinued in the fall of 1930 when President Wright came to the College. He was forced to make many budget cuts, Sanders said, due to the Depression, and football was one of the cuts.

When football resumes this fall, there will be lots of changes from the earlier teams at Campbellsville College and Russell Creek Academy. And one such change will be the team's name.

The Campbellsville College Tigers used to be the Panthers. Another change will be that every member will have a helmet and will wear it at all games. And the flying tackle won't be used anymore.

THE FIGHTING PANTHERS.

FOOTBALL IS BEING reinstated at Campbellsville College with the first games to be played in the fall. These pictures are of one of the earlier football teams at Campbellsville College. These were taken sometime in the 1920s.

Going for the Gold

Going for the Gold: An Olympic Tradition" was the dominate theme during Campbellsville's 1986 Homecoming Week Nov. 17-22.

Students were able to attend a Hoe-down, a Hawaiian Luau, a concert by Campbellsville College graduate Julie Eaton, a beach party and could participate in float-building throughout the week.

Actual Olympic events took place Monday through Wednesday with the Freshman class being victorious by having the most points after field events, swimming events, and a twiffle ball tourney. Haywood Riner, Student Development Associate, coordinated the events with the assistance of the intramural staff.

Winners were announced daily for the best dressed of the day. They included Kathy Hardy, Sadie Hawkins Day; Terry Copeland, Hawaiian Day; Teresa Combs, Fifties Day; and Michelle Bryan and Rozy Kuriger tied for School Spirit Day.

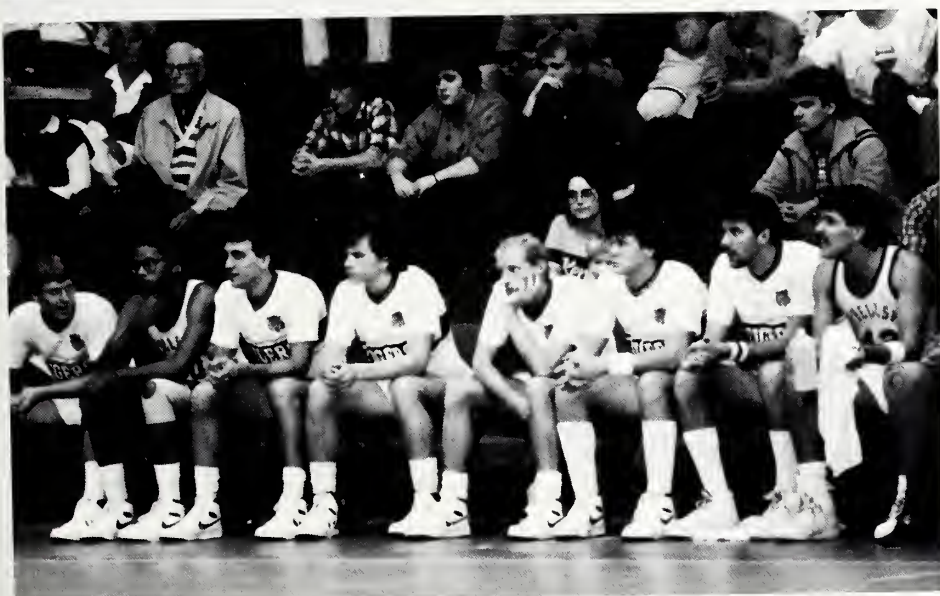

Saturday morning was the Homecoming Parade. With about 50 entries, the Art Club took the Grand Master Award. The BSU won for Originality and the Sophomore Class won for Color and Costume.

Victories were sweet for both the Lady Tigers and the Tigers.

The Lady Tigers defeated the Alumni Team and the Tigers defeated Transylvania University by a score of 72-71.

Highlighting the game was the crowning of the 1986 Homecoming Queen by Audra Wilcox, the 1985 Homecoming Queen. Tegest Nega, a 22 year-old senior from Ethiopia was crowned. She represented the Stapp Hall.

Sports

Keenan "Redbone" Bridgewaters shoots a free throw.

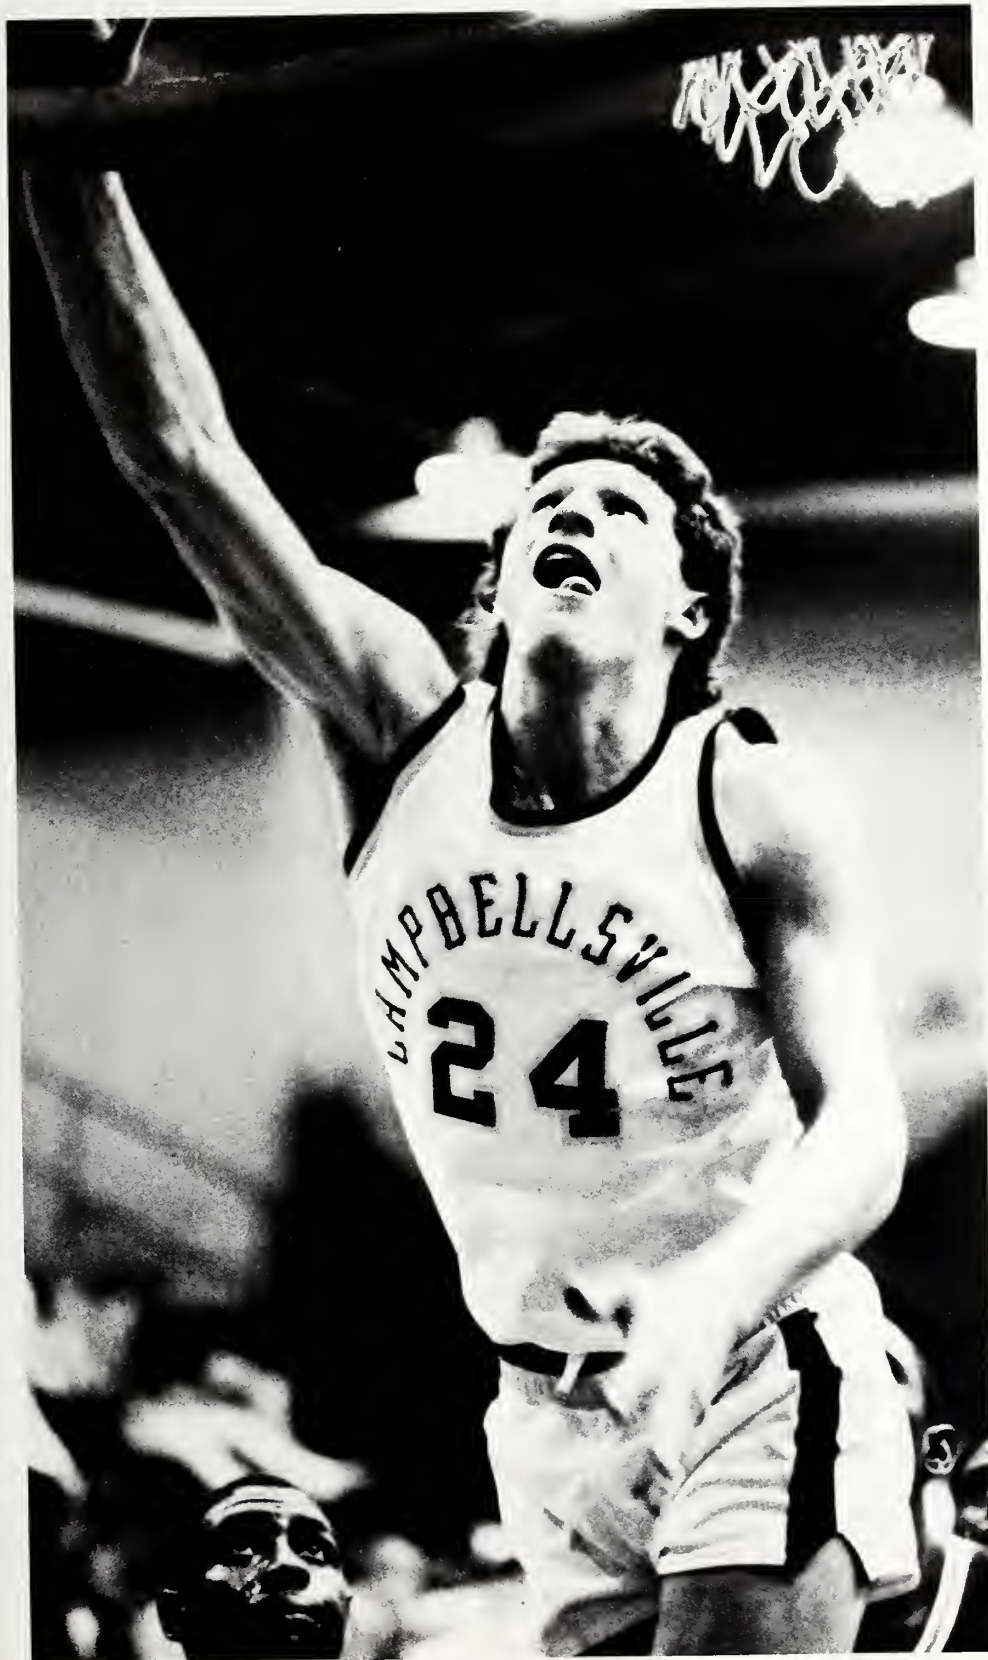

Tiger Basketball

Coach Lou Cunningham's 1986-87 Men's Basketball squad was a young one, sporting only one senior, Keenan "Redbone" Bridgewaters. Bridgewaters was one of four returning starters joined by Rob Daley, Allen Bell, and Aubrey Fritz. Cunningham pulled in a good crop of freshmen including Todd Armes of Breckinridge County, Vernon Billups of Radcliff, Ky., Billy Grierson of Dayton, Ohio, Barry Stringer of Pulaski County and Red Shirt, David Keiser. Other returning team members were Joe Bane, Mike Pollock, David Perkins, and David Langley.

The team had a promising start with wins over Brescia and Alice Lloyd. Rob Daley was the star against Brescia scoring 22 points and pulling down seven rebounds. Aubrey Fritz lead all scoring against Alice Lloyd with 20 points. A packed gym for homecoming was entertained by an exciting one point victory over a tough Transylvania team.

Bridgewaters was the high scorer in that game with 20 points, as well as being top rebounder with 12 rebounds.

Next on the schedule for the Tigers was Division II Kentucky Wesleyan. Wesleyan came out with a 102-61 home court win, but the Tigers came back quickly with an 80-66 victory over Centre. It was against Centre that Bridgewaters scored his season high 36 points. Daley worked the boards for ten rebounds. The Tiger squad then took to the road for games against Pikeville and Clinch Valley. The Tigers were defeated by an outstanding Pikeville team led by Todd May, but came back with a 99-87 win over Clinch Valley. Redbone Bridgewaters took high honors with 27 and Daley led the boards with nine.

Freshman Todd Armes skis for two.

The remainder of December saw losses to Georgetown, Berea, and Brescia along with a 101-83 home court victory over Union in which Bridgewaters scored his season high 36 for the second time.

Christmas break brought some changes for the Tiger squad. First, was the loss of the reserves Terry Copeland and David Langley. Another change was the addition of Freshman guard J. D. Hill transferring from W.K.U.

While the rest of the Campbellsville students were still enjoying their break, the Tigers returned to playing basketball with on the road losses to Centre and Cumberland. Bridgewaters was leading scorer in both games with 25 and 21 points. Daley dominated the boards with 18 rebounds. The team not only lost the game against Cumberland, but also lost sophomore Aubrey Fritz for most of the remaining season due to a foot injury. The Tiger squad then suffered losses to Pikeville at home and Alice Lloyd away.

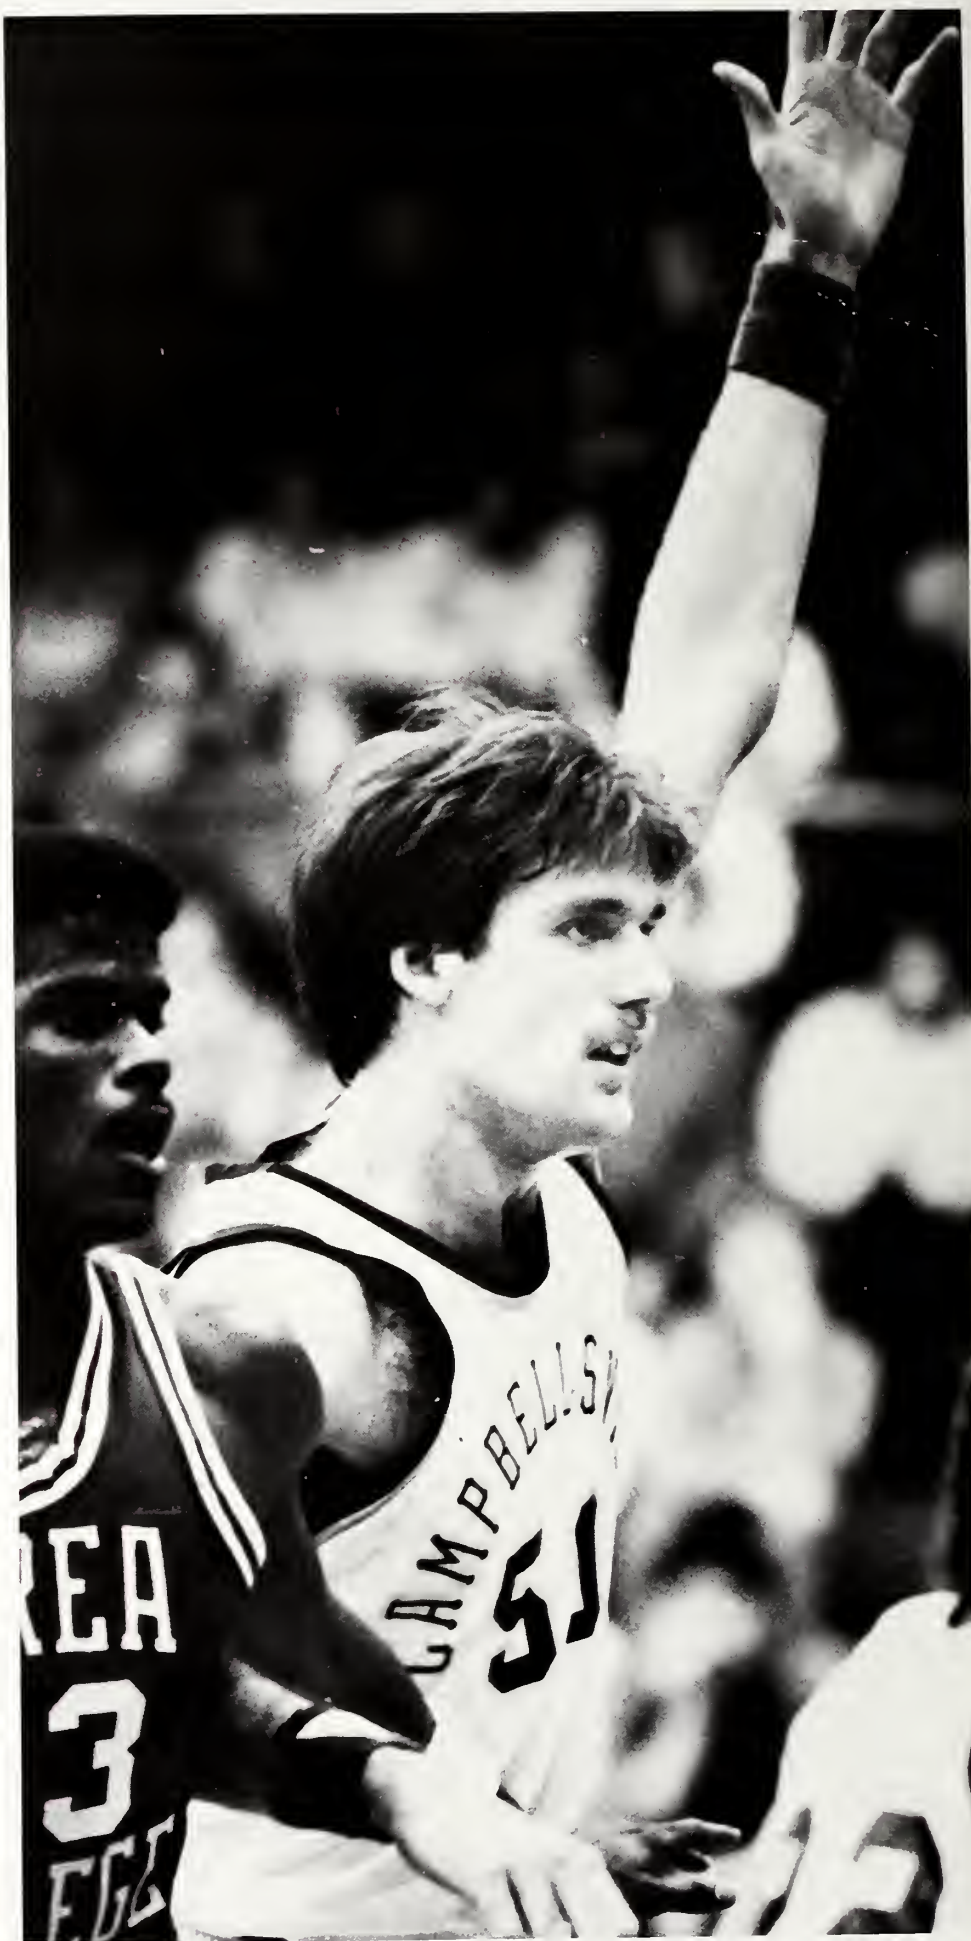

Added to the defeats was the suspension of Freshman Billy Grierson, who had seen limited playing action during the season and had started for Cunningham a few games. Another fatal blow to the team was the loss of junior Rob Daley. Daley was leading the team in rebounds averaging seven per game and was second in scoring with 14 points per game.

The team regrouped quickly and scored a moral victory with wins over Clinch Valley and neighboring Lindsey Wilson. The freshmen showed strength and Todd Arms scored 21 and Vernon Billups had 10 rebounds.

They then lost four very close games to Berea, Union, Lindsey Wilson, and Transy, also fell to KIAC powerhouses Georgetown and Cumberland before entering tournament play.

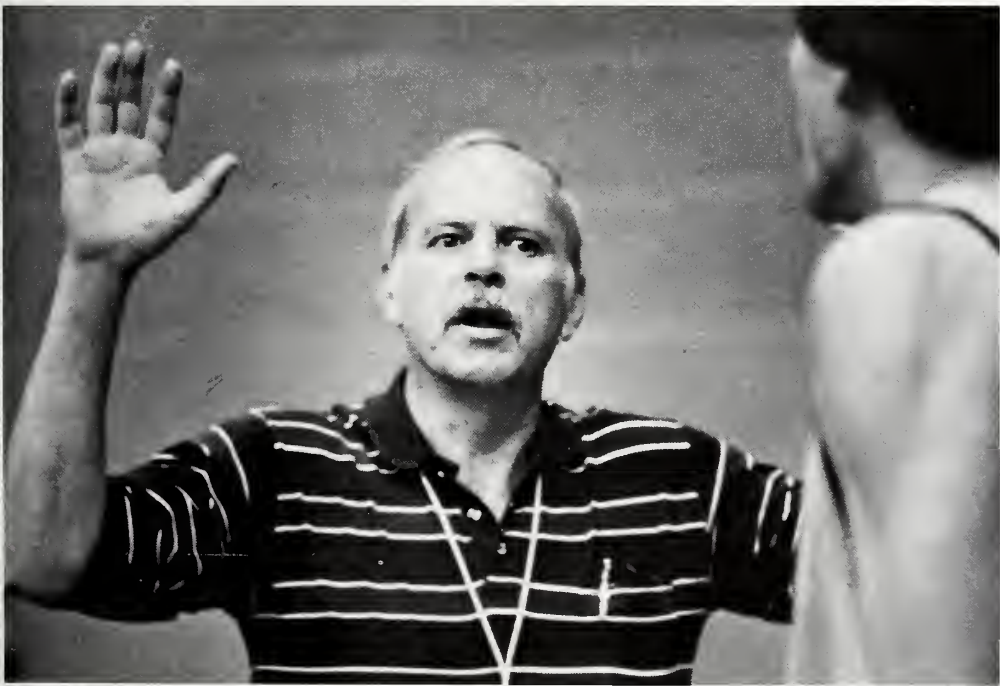

The Tigers hosted Clinch Valley in the first round game and won 94-71, but fell to the strong Cumberland 94-78.

The Tigers ended with a record of 9-18 and a conference of 4-12. The final stats showed Bridgewaters leading the squad in both scoring and rebounding. story by Becky Hazle.

Standing: Dean Pollock, Lou Cunningham, David Langley, Joe Bane, Billy Grierson, Rob Daley, Allen Bell, Vernon Billups, Dave Perkins, Pete DiStefano. Front Row: Terry Copeland, Keenan Bridgewater, Aubrey Fritz, Mike Pollock, Todd Arms, Lewis Staple, Dave Keiser.

Lady Tiger Basketball

"We definitely have our work cut out for us this season," said Donna Wise, the Lady Tiger coach. Four players will be returning, including two seniors. Franseda Gunn, 5'11", and Christy Cruise, 5'8". This year's team will be different from Wise's teams of the past. They will lack experience and depth.

Senior Christy Cruise

Senior Franseda Gunn was named KIAC "player of the week" twice, and NAIA player of the week once. She also lead the KIAC in scoring with 20.1 per game, rebounding 14.6 per game, field goal shooting 51.9%, and free throw shooting with 70%. She was named KIAC and All-District. Franseda was also named to the American Women's Sports Federation Fourth team All-American.

Newcomers to the squad are Ginger High, from Tompkinsville, Aretha Porter, from Lebanon, Jackie Prather, from Somerset, Tammy Cox, from Greensburg, Sarah Moody, from Warsaw, and Rhonda Conrad, from Inez, Kentucky. These freshmen are joining Sophomores Michelle Swartz and Mitzi Singleton.

The Lady Tigers began the season with a strong showing, starting out with 5-2, with wins over St. Catharine, Alice Lloyd, Heidleberg, and Union with losses coming from IUPUI and Ky Wesleyan.

The Lady Tigers faced a tough conference schedule. As Donna Wise's team ended their season with a loss to Cumberland, it left the struggling Tigers with a 15-10 regular season record. They lost the first game of the KIAC tournament to Union College 65-61 at home. Bright spots were that Franseda Gunn was named KIAC "Player of the Year," along with All KIAC members Ginger High and Jackie Prather.

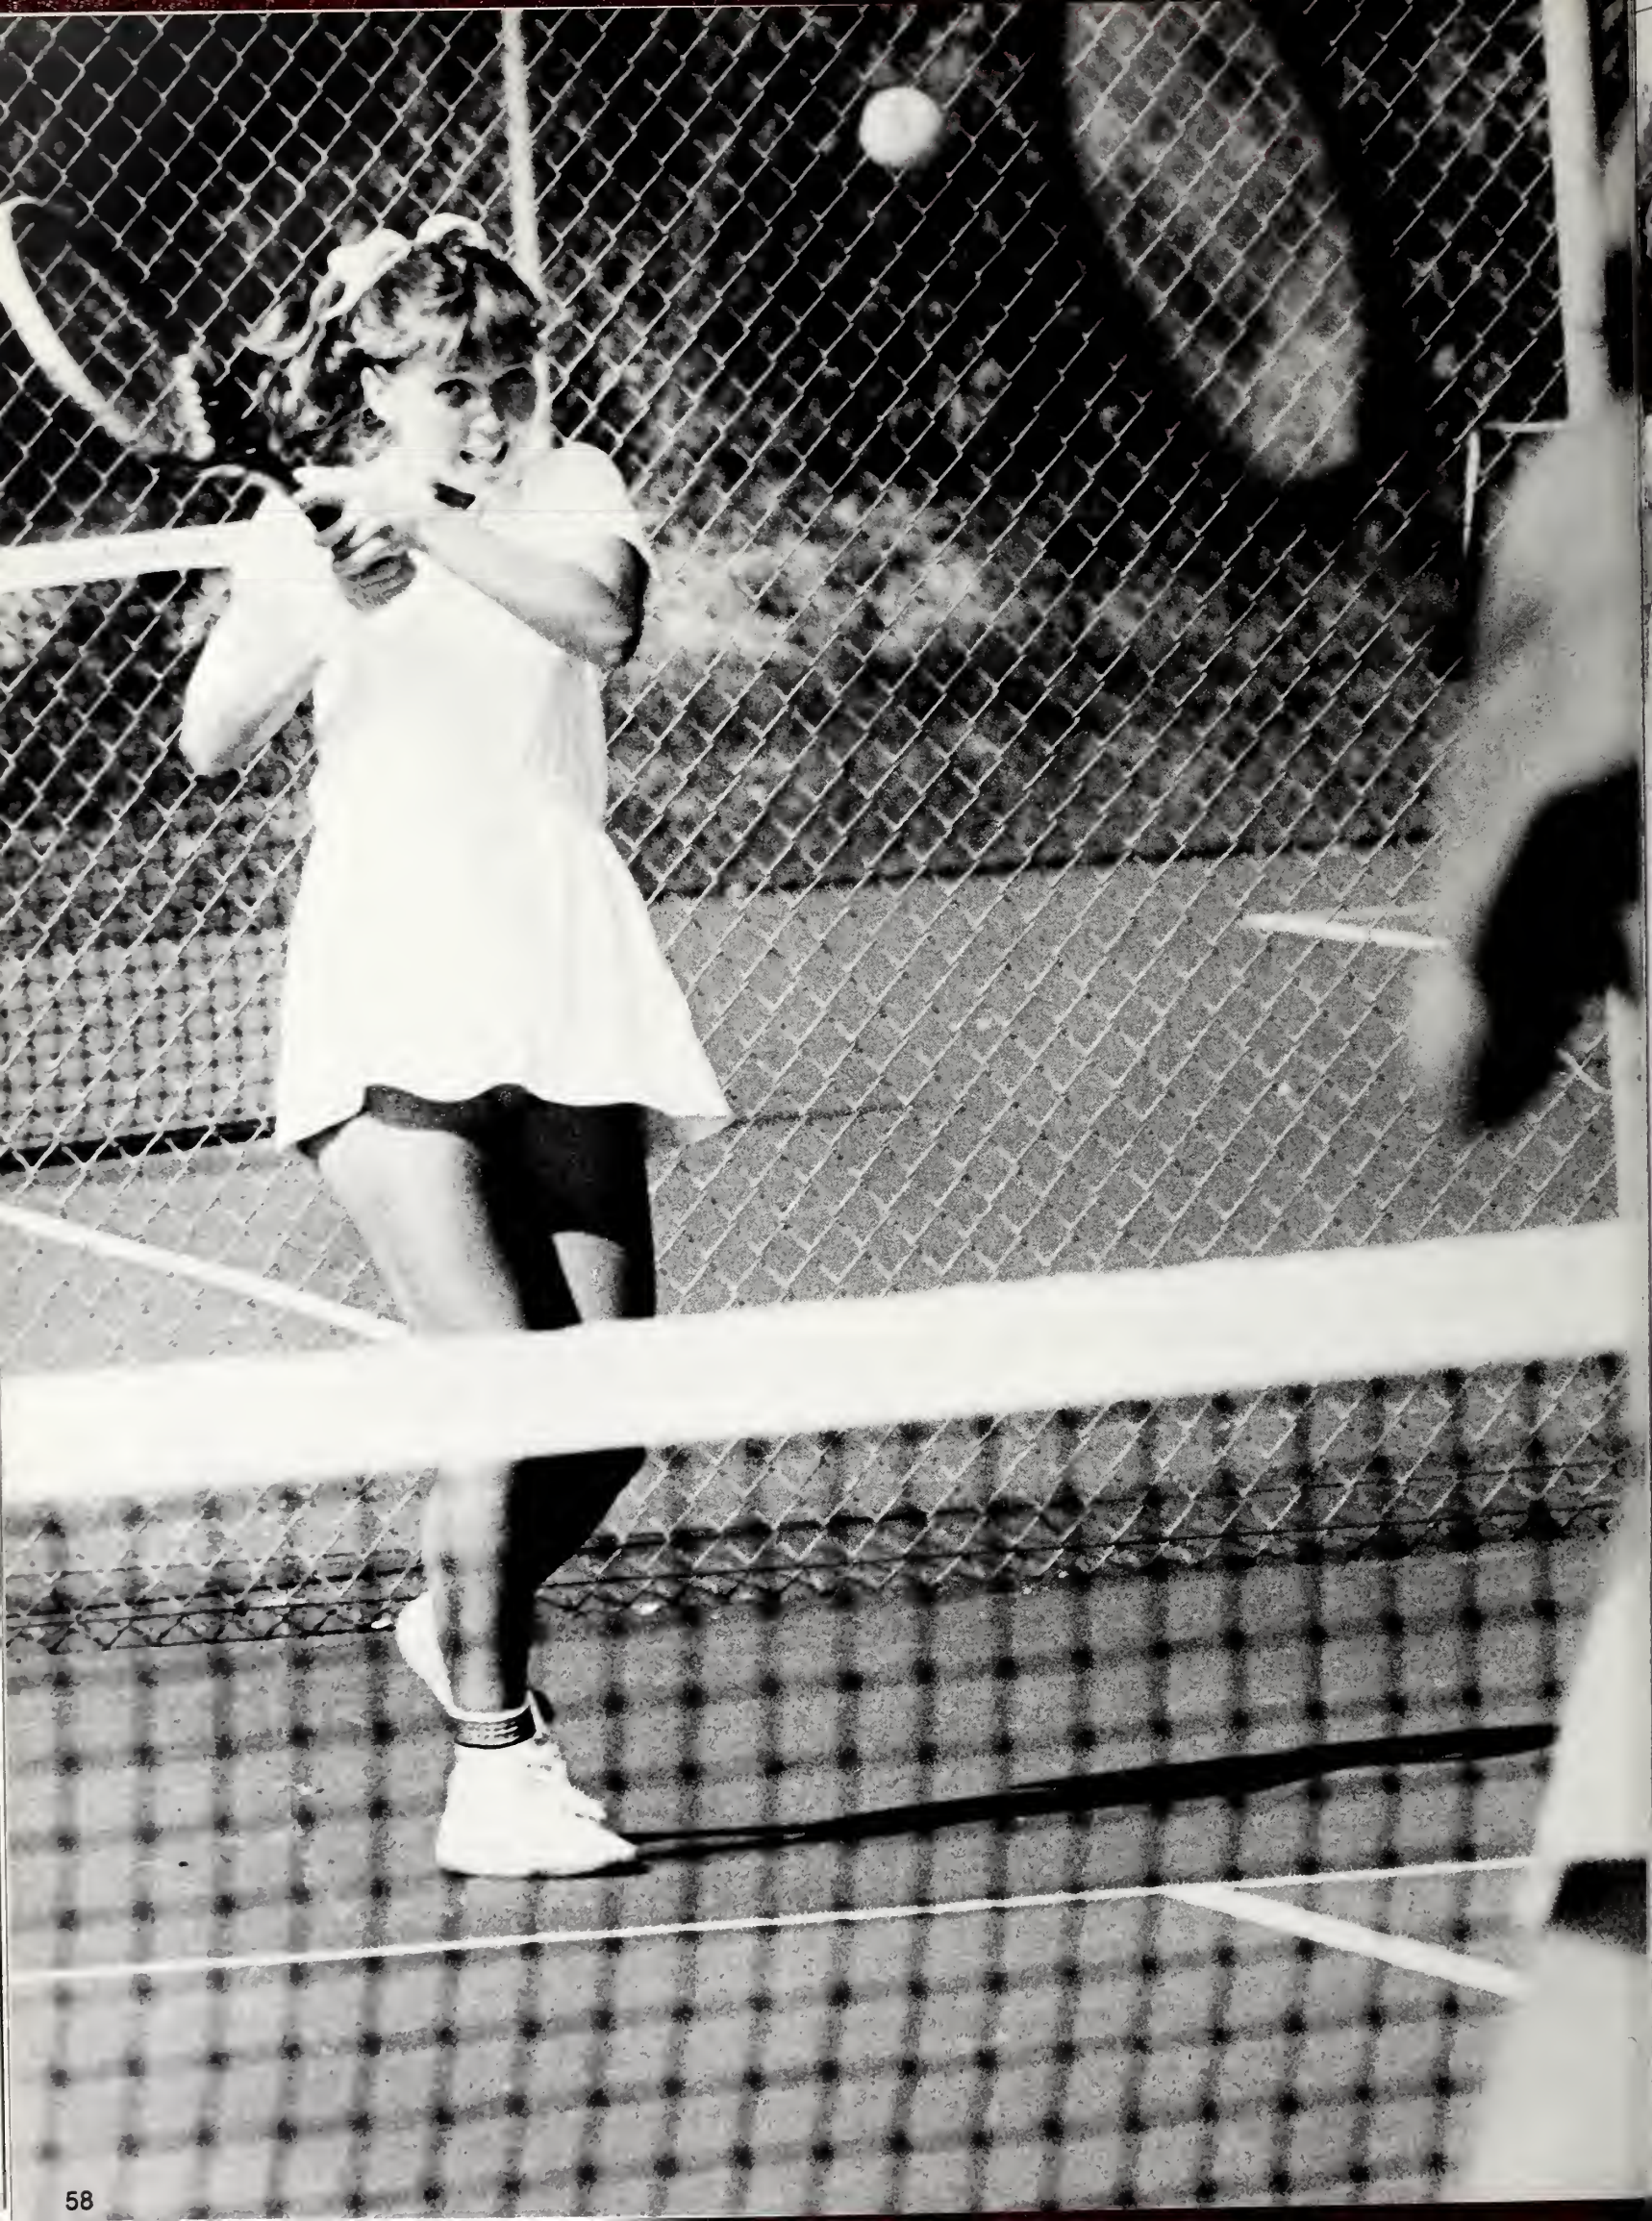

The Lady Tigers received a District bid to play tough Cumberland at Cumberland. The Lady Tigers fell 71-54 in the District 32 Semifinals. Their final record of 15-12, will be a foundation for the six returning sophomores-to-be.

Lady Tiger Tennis

Sonya Wilcoxson, the number one seed for the Lady Tiger's tennis team, won 15 and lost only 3. This makes her the first Lady Tiger tennis player to be eligible to compete in the NAIA tennis tourney in Kansas City. The Lady Tigers finished their season 4-9.

Left to Right: Debbie Grider, Head Coach; Rosanne Conlan, Jennifer Haselwood, Sonya Wilcoxson, Susie Bishop, Connie Pickett, Kathy Hardy, Sherry Brooks, assistant coach.

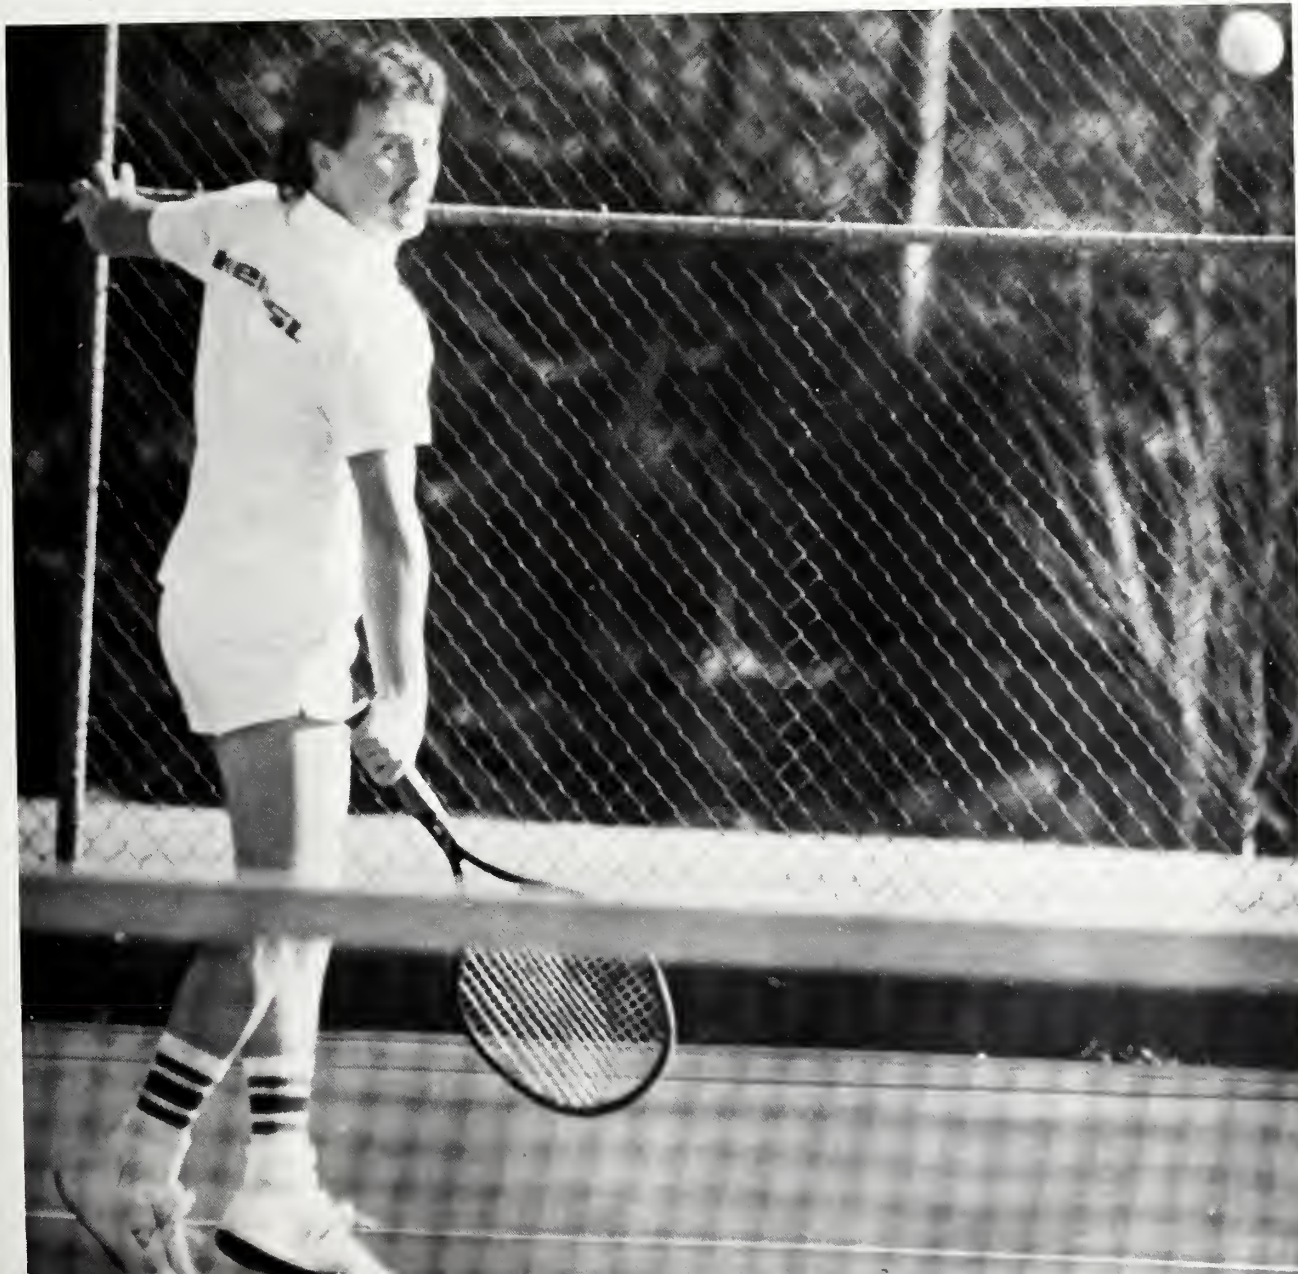

Tiger Tennis

The 1987 Campbellsville College Men's Tennis Team had it's ups and downs! They came as Jason Ford was seeded #1 in the KIAC Tournament, Kevin Bliss was seeded #3, and Richie Kessler was also seeded #3. The downs came when all three were beaten in the semi-finals.

Campbellsville finished 5th in the KIAC. Jason Ford made All District. The Tigers improved their 5th position to 3rd after doubles action.

Back Row: Jason Ford, David Parsons, Coach; Richie Kessler, and Kamal Khoury. Front: Ralph Husinga and Mike Daugherty.

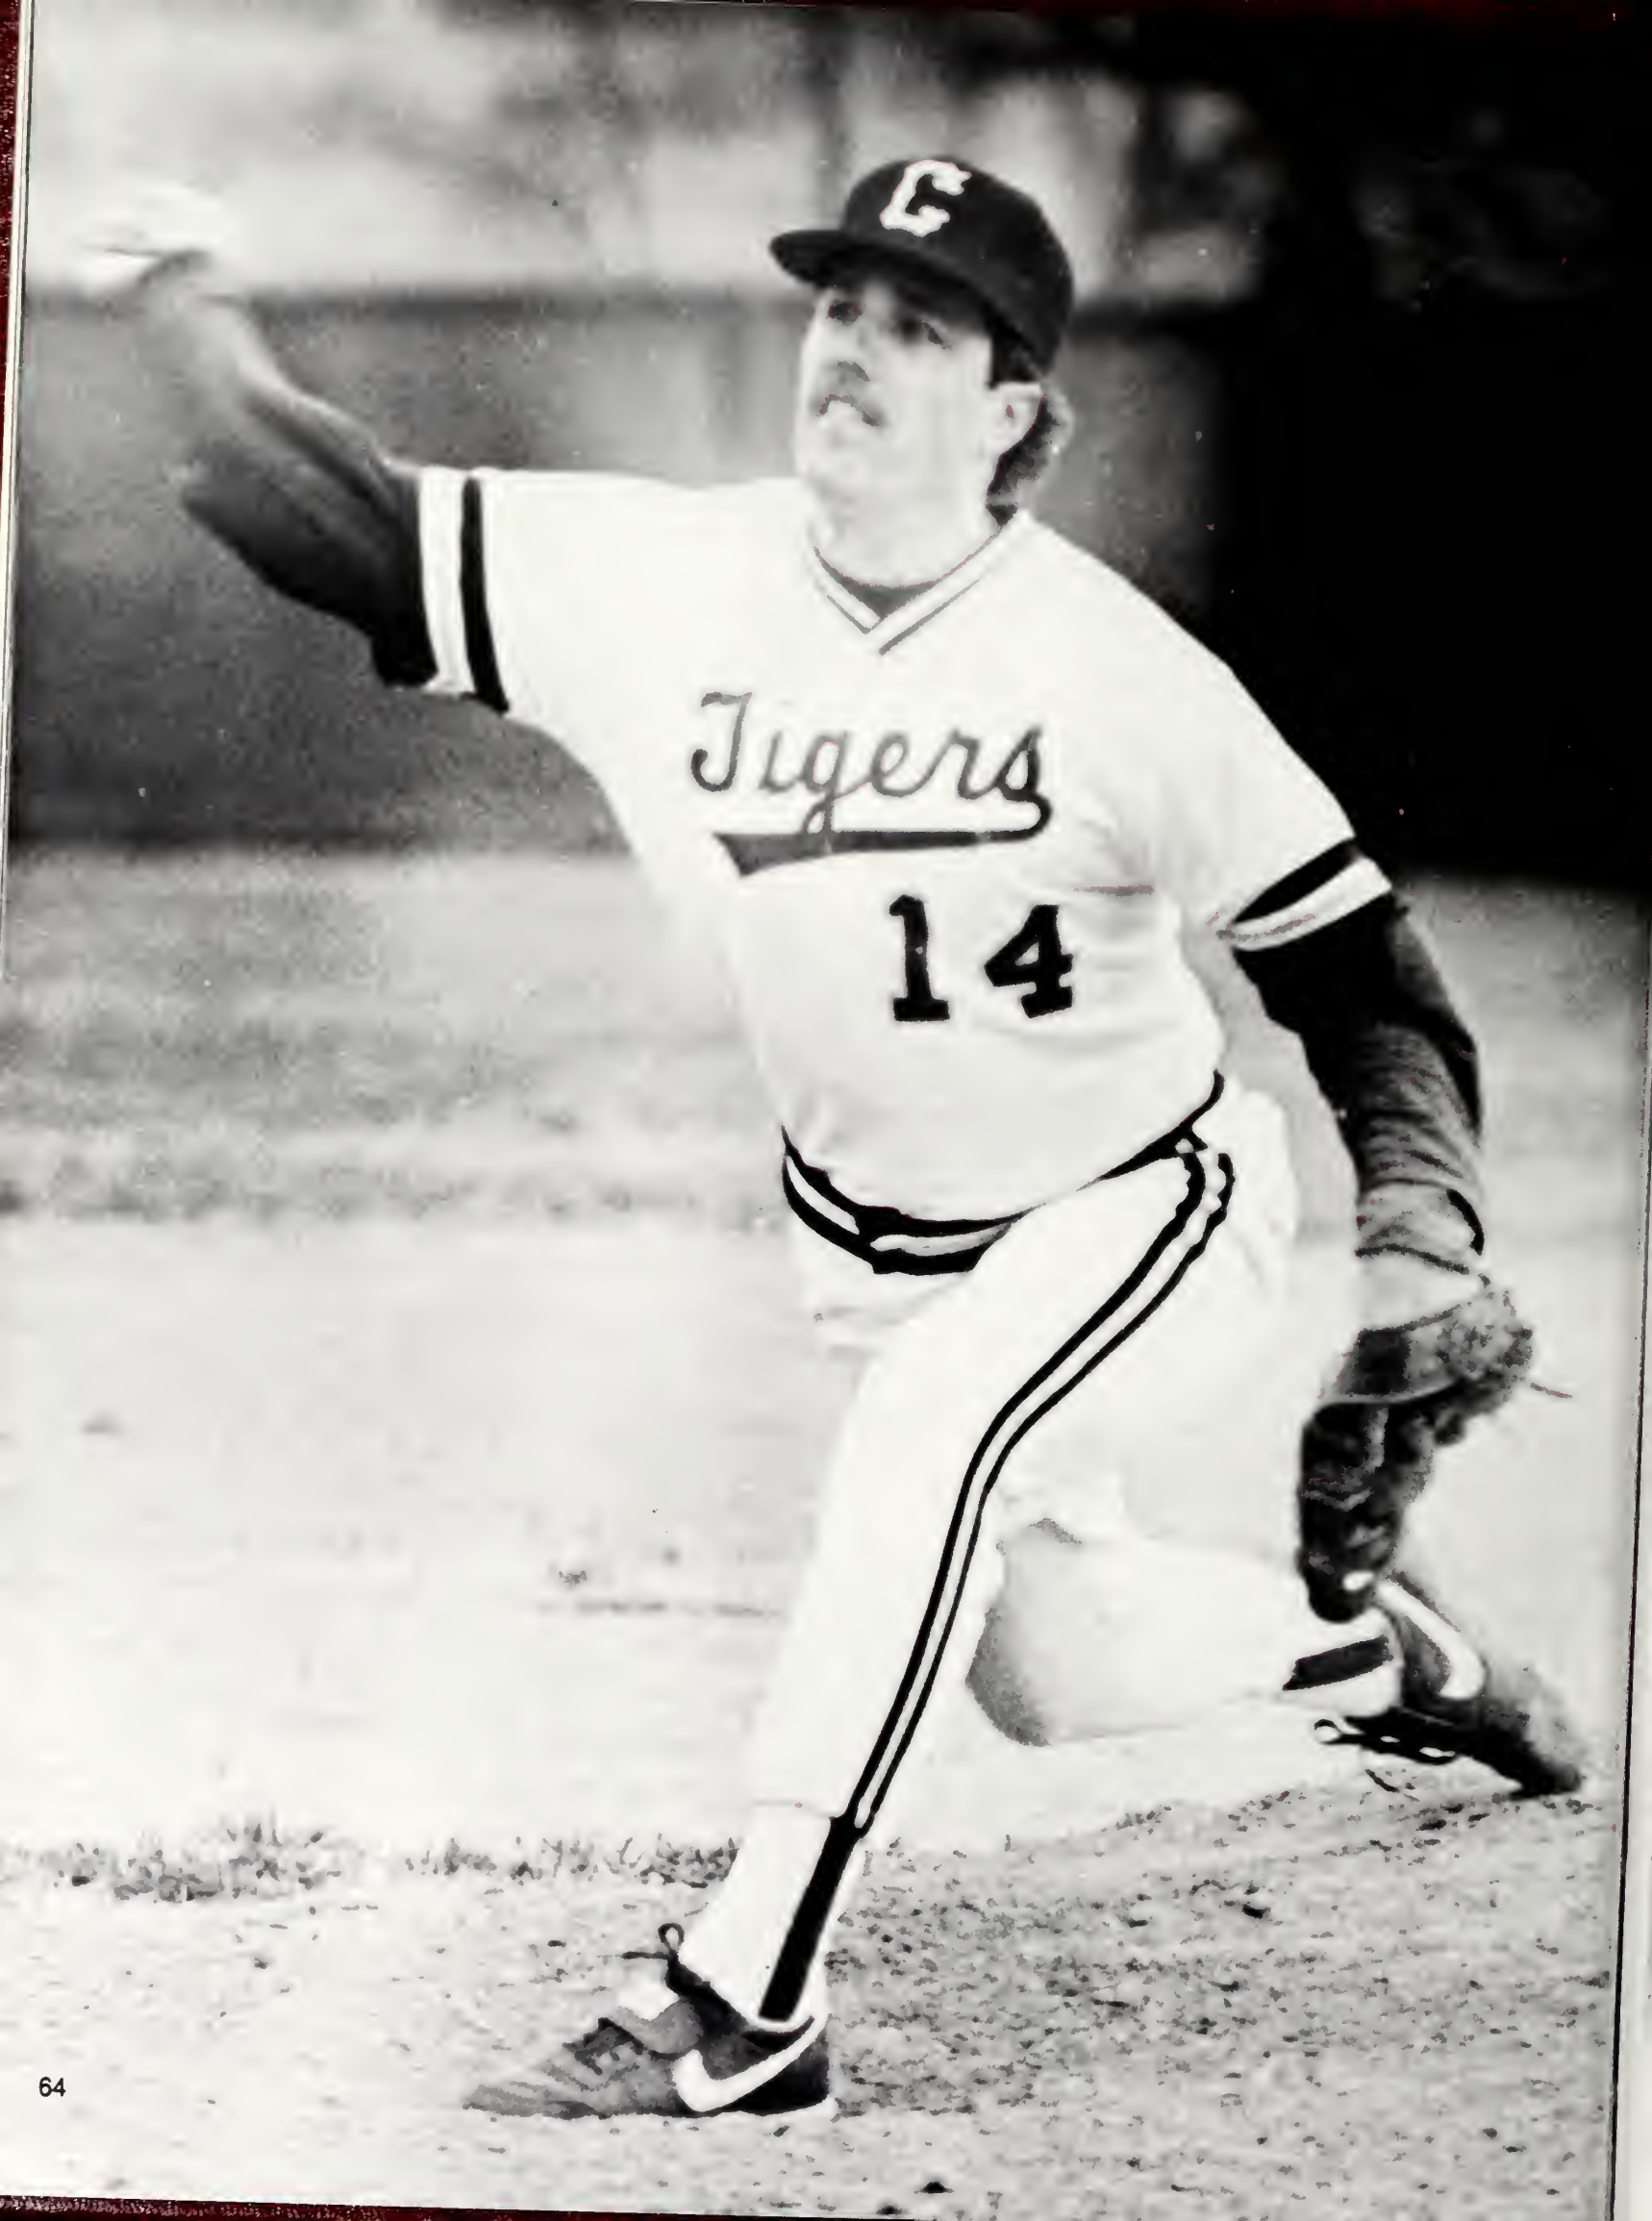

Lady Tiger Softball

The 1987 Lady Tigers posted a 21-8 record. Campbellsville had a tough road in Conference play. This young team came on in the end to win their last six regular season games, and the first two in tournament play. The Tigers placed 3rd in the KIAC tournament and 4th in the District. Julie Ballard and Annette were named All Conference.

Front row: Tammy Cox, Mitzi Singleton, Greta Heady, Michelle Swartz, Annette Clark and Kathy Hardy. Second row: Donna Wise, Julia Ballard, Karen Mudd, Franseda Gunn, Ginger High, Sherry Brooks, Rosanne Conlan.

Middle: Annette Clark gets a quick start from second. LEFT Greta Heady awaits the pitch. Sherry Brooks warms up. Above: Karen Mudd finished the season batting .400.

Tiger Baseball

The Tiger baseball team went under new leadership of Head Coach David Vince this season.

Tiger baseball started on March 3 with a double header against the University of Louisville. U of L won both games. The Tigers lost two more to Ky Wesleyan. On March 9th the Tigers found their first victories defeating Lindsey-Wilson 19-3 and 11-1.

The highlight for the players was their trip to Cocoa Beach, Florida, for Spring Break. The Tigers took victories from Mid-America, Illinois Benedictine, and Rockford, and took losses from Malone, Rockford, Trevecca, Huntington, and Oklahoma Baptist. These games helped prepare the Tigers for conference games to come. The Tigers continued to battle to stay in the conference race.

The Campbellsville Tigers faced Berea. If they would sweep the doubleheader they would take a 24-22-2 record and 13-3 conference record into the District 32 tourney. They did, and earned the number one seed and hosted the tourney.

Campbellsville claimed a first round forfeit from Union College, then fell to conference power Georgetown giving the Tigers their first loss in district play. The Tigers again faced a vengeful Union, and again handed the Union team their second loss.

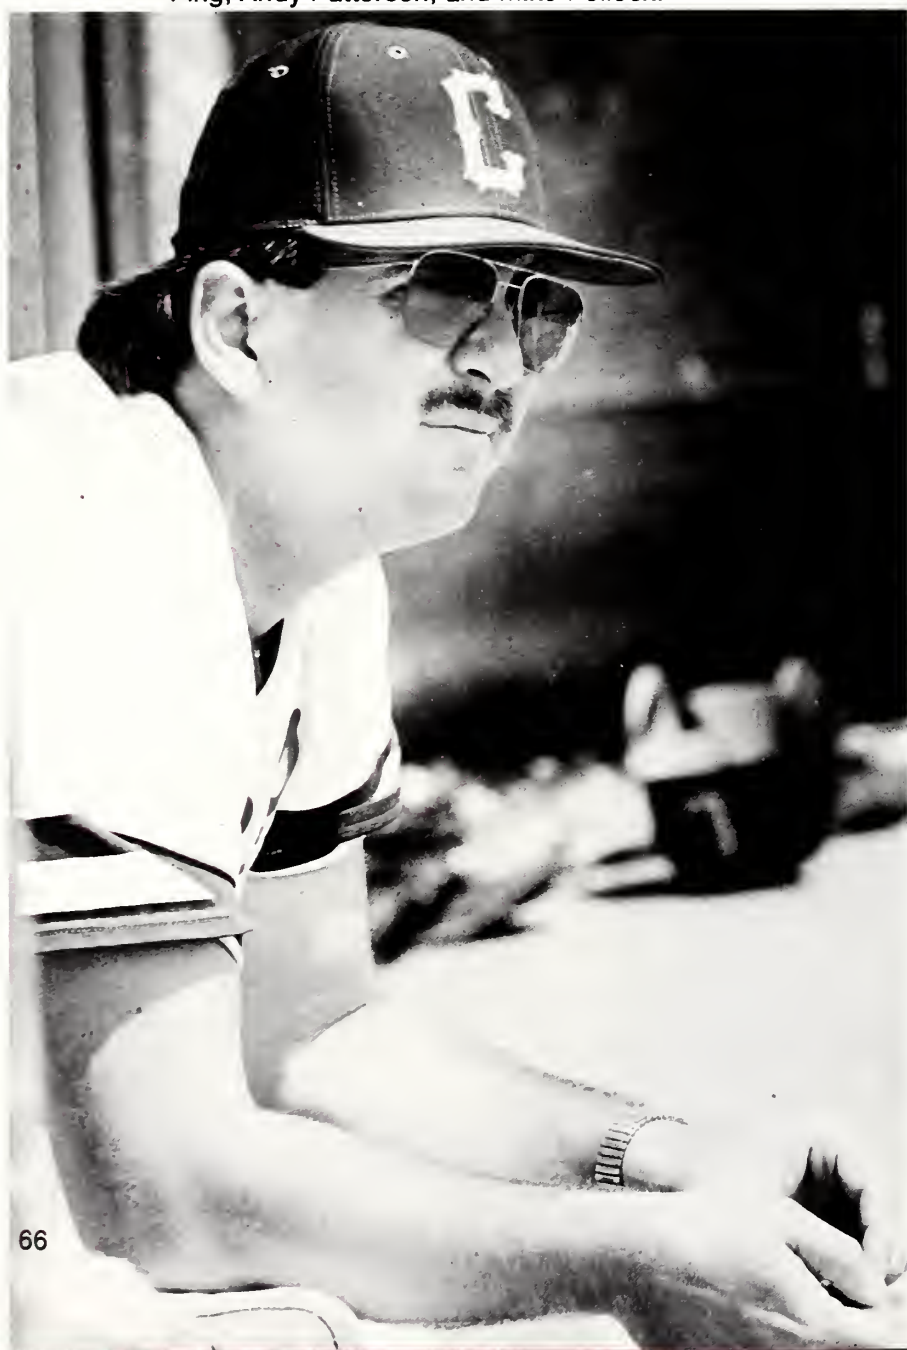

The Campbellsville Tigers would then face Georgetown for the championship. The Tigers in a disappointing loss fell short of the District Championship. Dave Decker, Sarge — Mike Pollock, and Brad Baber were named All-KIAC.

Tiger Golf

This year's team consisting of only two returning players John Mesplay and Dicky Walker. Freshman Neil Nunn, Matt Shipley and Richard Cormier filled in 3rd, 4th, and 5th positions. Rosanne Conlan played 6th position. The young team showed great potential by finishing first in the Georgetown invitational behind the play of John Mesplay and Dicky Walker. The team also walked away with top honors in their own Campbellsville invitational. The nationals seemed within reach as the Tigers entered the district. After the first day we had a 6 stroke lead over conference strength Brescia and Berea. Returning the second day the Tigers extended out a 10 stroke lead but fell short of a victory. John Mesplays placed 2nd in the DIAC and District. Dicky Walker finished fourth.

A black and white photograph capturing a moment of celebration during a graduation ceremony. Three individuals, all wearing traditional academic regalia consisting of black caps and gowns, are the central focus. On the left, a graduate is seen from the side, wearing a gown with a prominent white stole. In the center, another graduate is shaking hands with the first. To the right, a third graduate stands slightly behind, looking towards the camera. The background is a simple, light-colored wall with a dark horizontal line, possibly a window or a partition. The overall tone is formal yet celebratory.
